Italian for "baked earth"

## Design Tips:

- decide on your main color and accent colors early on
- don't be afraid of colorful florals and greenery
- incorporate the theme into place cards, menus and food
- showcase your wedding colors in the bridesmaids dresses, mens suits or bouquets
- jazz up your head table with upgrades if you're on a budget
- pampas grass can go a long way
- do a lounge set up with your wedding colors!
- candles, candles, candles
